

Guidance Information for Petroleum-Spirit Licence applications

- 1.0 This application regulates the grant/renewal or transfer of a Petroleum-Spirit Licence under the Petroleum (consolidation) Act (Northern Ireland) 1929
- 2.0 All applications for grant/renewal or transfer of a petrol licence must be accompanied by a current Electrical Certificate and a current Certificate of Inspection for Fire Extinguishers
- 3.0 The person carrying out the inspection for electrical certificate must be fully conversant and have practical experience with BS5345 (selection, Installation and Maintenance of Electrical Apparatus for use in Potentially Explosive Atmospheres).
- 4.0 Failure to submit all the documentation with a properly completed application form will result in your licence being delayed or withheld.
- 5.0 The schedule of fees for Petroleum-Spirit Licences are as follows:

Quantities Stored	Fee
Not exceeding 2,500 litres	£40.00
Exceeding 2,500 litres bit not exceeding 50,000 litres	£53.00
Exceeding 50,000 litres	£115.00
Transfer of licence	£8.00

- 6.0 Further information can be obtained from the City Inspector, Derry City Council, Council Offices, 98 Strand Road, Derry BT48 7NN. Telephone 028 71 36 5151 or email desmond.rice@derrycity.gov.uk
